

HVG Opens Mid Atlantic Office - Baltimore, Maryland

Huron Valley Glass is pleased to announce the opening of a new Mid-Atlantic Regional Operations office in Baltimore, Maryland. This will be the base of operations in the management of several key projects we will be completing within the region.

This is an important step in the strategic expansion program for HVG, and will play a key role in transforming our firm into one of the Nation's strongest curtainwall and envelope firms. The Washington DC region has consistently been one of the most active construction regions in the nation, and we are very excited with this.

The office will serve the entire region including the cities of Washington D.C. and Baltimore as well as the surrounding suburbs.
